

## **Declaration of our Policy on Safe Driving**

We the undersigned do hereby declare our *full commitment to safety in every facet of our ministry including providing safe transportation*. The safety of all community members, personnel, our customers, and other highway users is of the highest priority. Therefore, safety is an integral part of our operations and the policies, procedures, and programs governing our organization's ministries.

*We further recognize* that it is the responsibility of every level of management from the President / Provincial Board to the first level supervisor to:

- Require All Drivers to be Qualified to Drive a Covered Vehicle
- Evaluate Every Drivers' Performance as Needed
- Manage the Risks Associated with Vehicle Operations

It is also our goal to:

- Maintain our Vehicle Accident Frequency at or below the average of the Risk Pooling Trust

Adopting and following this safety policy will contribute to the improved efficiency of our operations, enhance the profitability of our organization and benefit our ministries, our personnel and our community.

---

President / Board

In witness whereof, we the undersigned who comprise the management do hereby commit ourselves to safety according to this policy.
