(Organization Name)

The Christian Brothers Risk Pooling Trust provides coverage for all vehicles owned or leased by

(Organization Name)

This includes Auto Liability for Bodily Injury and Property Damage and is in effect for all authorized drivers of vehicles scheduled with the Trust.

Anytime I use personally owned vehicles for authorized business related activities, (i.e. transport individuals, banking transactions or to run errands), my automobile insurance is primary because coverage follows the ownership of the vehicle. The Christian Brothers Risk Pooling Trust will only provide coverage if and when there has been a claim that exceeds the liability limits of my automobile policy.

The recommended minimum automobile liability coverage for personally owned vehicles is bodily injury limits of \$100,000 per person or \$300,000 per accident; Property damage coverage of \$100,000. The collision and comprehensive coverage is an option item by the owner. The vehicle should also have medical coverage for the medical expenses for all the occupants in the vehicle.

I have read this form, understand it and voluntarily agree to use my vehicle for this organization's related activities.
